

## Co-op Restoration Committee Agenda

Thursday, April 4, 2019, City Hall, 6:00

### Mission

Preserve and improve the Co-op Building as a Multi-use Community Center.

By: 1) Cleaning it up. 2) Starting to raise funds. 3) Using it as a project to unify the community. 4) Recognizing the City maintains control. 5) Researching, discussing and working together to find the best fits for the building.

### Committee

Terrill Schwartz (co-chair), Dotty Evanson (co-chair), Kay Caldwell, Gene Caldwell, Larry Knudsen (City Council), Steve Daniels, Mike Hess, Danece Hess, Jean Thomas (grants), Roxanne Albretsen (secretary), Carla Williams (minutes), Ralph Hanson, Luke Waldron, Rick Werner, Joan Hawkins (mayor), Dave Schow

### Clean It Up

- Time to start removing ceiling tiles and insulation on the main level
- Continue sweeping, cleaning, dejunking. Our progress is good!

### Funding

- Grants: Jean, Certified Local Government update, other possibilities
- **Fund Raising Campaign...what?**
- Livingstons are starting the on-line auction, which will include the boots and the gas station as well as all other items that won't be used for renovation. When that is finished we can start cleaning up the hardware part.

### Unite Community

- Monthly Co-op report in the City Council Meeting report as well as a couple of articles. Thanks, Joan.
- **Saturday mornings 8:00 to 10:00.** We usually get about 20 people and they accomplish a lot. The help has been wonderful.
- **Come Look Event?** Something now to get people in and excited. Probably can't do until after the auction is finished. Maybe we do it in conjunction with getting rid of what didn't go in the auction.
- **Car Show:** Burgers?
- **June 28-29: Welsh Festival Art Walk.** The Art Walk is being organized by the Oxford Peak Arts Council. Careen Hornecker is the primary contact.
- **July 5:** The council approved a street dance for Friday, July 5. They will close off Main Street from The Gym to the Stop sign. Rough Stock will be providing the music. It has been suggested we do ice cream sundies.

### City Council Control

- The Council has approved letting us sponsor events in the Co-op.

### Plans...Best Fit

- Harkness Hotel: Aaron Hunsaker hosted Terrill, Dotty, Carla, Rox and Jean for an extensive tour and discussion about the Harkness. Dave has also visited with Aaron.
- Fred Walters, Idaho Heritage Trust, visited on March 28. He will send us a report.
- City Council is talking about City Hall going in on the main floor, along with a Community Center room. They are just exploring ideas right now.
