Are we doing okay? What's working and what isn't?

What if any changes should we make?

Do we have too many goals?

Should we re-organize/ fewer board members/some local residents?

What should we do with **REDI**? How about **4CASI**? One or both? Which one if a change is made?

City planner? Costs/Experience/Budget fit? Work together or separate?

Are our goals too different to fit one size fits all? Ex (agricultural vs industry and or retail)

What will be the staffing needs of a newly updated organization versus current needs?

Will we still need to be a 501c3 organization? Should we ask for dues for our support?

Next scheduled meeting will be held on March 24th at 6:00p.m.

You are invited to either a Zoom meeting or a regular in person meeting as long as safe distancing between participants is followed.
